

BYLAW

The Student Experience Committee shall be responsible for and make recommendations to the full Board regarding the following areas:

- Facilitate direct communication between the Board and the student body
- Ensure the College's focus remains on its mission to provide an environment for excellence to promote student success, growth, and development
- Provide general oversight and guidance for non-academic matters of student life, including student-related programs, services, and extracurricular activities
- Represent the students' interests in policy decisions

ADOPTED: January 25, 2024
